### Abstract Submission

Online Abstract Submission is now available

The Scientific Committee of the 2nd International Congress on Borderline Personality Disorder and Allied Disorders would like to offer you the opportunity to actively take part in the scientific program of this unique congress. Your scientific work can be submitted as a written abstract.

All abstracts will be reviewed by the Scientific Program Committee which will judge the submissions according to the relevance to the program, the scientific value, the objectivity of statement, and the standard of English.

All accepted abstracts will be published.

### How to submit an abstract

- Abstracts shall be submitted electronically by using the online form
- Please choose a title that clearly indicates the content of the contribution
- Please avoid abbreviations in the title. Abbreviations may be used in the text if they are defined when used first
- The author's name (full first name, family name) and place of work (institution, city, country) should be indicated. Degrees, titles, street addresses and acknowledgements of support should be omitted
- The word count of the abstract shall not exceed 300 words
- The abstract text should be structured as follows:
  - Objectives
  - Methods
  - Results
  - Conclusion
- Please choose the topic which is the most relevant to your abstract
- One table can be uploaded (gif, jpg)
- Please ensure that the abstract does not contain spelling, grammar or scientific errors, as it will be reproduced exactly as submitted
